

APPLE FUNDRAISER AGREEMENT

APPLE OBLIGATION INFO:

You may take 1-50 packets at no cost,* as long as the minimum apple requirement of 140 apples is met (Not including Taffy and Toffee sales). If more than 50 packets are requested, the minimum apple requirement changes to 3x the amount of packets taken (example: 100 packets=300 minimum apple sales).

Should the minimum apple requirement not be met, you may purchase the extra apples to meet the minimum requirement and sell them after pick up, **OR** your order will be converted to a 'store order'. Your organization will pay store prices of \$9-\$13 each, 3/\$33, and/or 2/\$16 (depending on the flavors) which will reduce the profit margin from \$5.00 per apple to \$1.00-2.00 per apple and/or you will be ineligible for future fundraisers with us.
